Dear Friends,

I have mixed feelings about the news that I am about to tell you. Dr. Gay Yuen has decided to resign from the Friends of the Chinese American Museum board effective October 1, 2017. I am sad since FCAM will miss her leadership, insight, and passionate efforts in supporting and growing the Chinese American Museum, but at the same time I can see her as a person that will make significant differences in her renewed passion to help the underserved young people.

Gay has served as a loyal FCAM board member for 10 years including 3 years as the Board President.

For FCAM, rest assured that she has promised to still support us as we transition her important roles to the remaining FCAM board members.

Sincerely,

Jim Jang
Board President - Friends of the Chinese American Museum
